Healthy Futures Colorado PLLC Financial Agreement for Primary Care Patients

Payment is expected at the time of your visit. We accept cash or credit cards. If you have insurance, prior to your visit we will collect 1. Any outstanding patient balance from prior visits, 2. The copay for today's visit, and 3. Any amount likely to be attributed to the patient's deductible for today's visit.

If you do not have insurance the pricing is as follows:\$100 for a 15 minute visit/1-2 issues or \$125 for 30 minutes/3-4 issues), plus any additional services such as blood tests, EKG, or injections.

Medicare patients: This serves also as your Advanced Beneficiary Notice. We also require credit card information and patient authorization to cover services unpaid or denied by your insurance plan.

Insurance coverage - We are participating providers with many insurance plans. We will file all of these insurance claims for you. If your insurance company does not pay our clinic within a reasonable period of time, your credit card will be immediately charged. If we later receive payment from your insurer, we will refund any overpayment. Your copayment is a contract between you and your insurance company. It is a requirement of this contract that you pay your copayment at the time of your visit. You are responsible for knowing which services are covered by your insurance plan. If we recommend a service we feel is medically prudent and this is a non-covered benefit of your plan, you are responsible for payment if you choose to accept the treatment.

You are responsible for knowing if our providers are on your insurance plan. If our doctors are not listed in your plan's network, you may be responsible for partial or full payment. Our staff cannot guarantee your eligibility and coverage.

Cancellations or Missed Appointments - We appreciate your consideration in keeping your appointments when scheduled. We know your time is valuable, as is ours. If you do not cancel your appointment with 24 hours notice, a charge of \$35.00 may be assessed. We do realize that some circumstances will arise that you will not be able to give us a 24 hours advance notice, and these will be discussed on a case-by-case basis.

Past due accounts: Your account will be considered past due if we have not received payment in full within 60 days of the balance becoming your responsibility. If payment is not received at the 120 day mark, your account can be turned over to a collection agency, and you may be dismissed from the practice. We understand that sometimes families run into hardships; however, if you find yourself unable to pay your balance, we are willing to work out a budget plan with monthly payment. Please let us know if this is the case with your account.

I understand and agree to this Financial Policy.
